Read the dialogues. Answer the questions. True or False?

1. Someone is getting old
2. Someone had an allergic reaction

A: Are you ok, you look a bit pale
B: I think I'm going to be sick, I had too much to drink and I need to **throw up**.
A: I hope you didn't drink too much and you won't **pass out**.
B: Na, Na don't worry too much, I'll be OK.

A: How are you today?
B: Not feeling all too great, I think I'm **coming down with** the flu and my nose is all **blocked up**.

A: How's work going?
B: Terrible, long hours, not much time and my boss is impossible. I don't know if I can handle it much longer.
A: Be careful that you don't **burn out**.

A: Is your leg ok? You seem to be walking a bit funny.
B: I'm ok, it's just my knee **acting up**. It always happens when the weather changes.
A: I guess you're getting old.
B: I guess I am.

A: What's happening to your face? It's all **swelling up** and you seem to be **breaking out in** a rash.
B: Must be some allergic reaction to something I ate. I better get my EpiPen.

A: I had never been so sick in my life. Luckily, you **cared for** me, otherwise I'm not sure if I would have managed to **pull through**.
